Superiol Long Life Multi is a premium multi-purpose top up coolant that is compatible with ALL VEHICLES and ALL COOLANT TYPES. Superiol Long Life Multi coolant is specifically designed not to discolour existing coolants when mixed up to 10%.

Superiol Long Life Multi offers extended life corrosion protection, superior performance at high operating temperatures and year round anti-freeze and anti-boil protection for petrol, gas, light and heavy-duty diesel engines.

Product Benefits

- Ready to use coolant (no dilution required)
- Anti-freeze and Anti-boil protection
- Minimises formation of abrasive dissolved solids
- Excellent heat transfer properties
- Provides long term corrosion protection for all common metal alloys - aluminium, brass, cast iron, steel, solder and copper - found in most cooling systems
 - Nitrite, amine, phosphate and silicate free (NAPS free) meeting OEM specifications for environmentally sustainable formulations
